A UNIVERSAL BROTHERHOOD

Freemasonry is a voluntary Fraternal Organization. It is composed of men of good will, of good character, and of good reputation who believe in Almighty God and practice the spirit of the Universal Brotherhood of Man; who are loyal to their country, devoted to the principles of friendship and fellowship and who aim to be of service to all mankind. The Mission of masonry is to help build a better world through its particular process of building better men to live in it: by urging the practice of brotherly love for all, charitable relief of those who may be in need, and morality and good citizenship in every community.
